Subject: Trip to Anchorage with resource fund

Michael and Patty,

I plan to be in Anchorage on Thursday and Friday week. The first day is to talk with the Nature Serve contractors about the Bristol Bay risk assessment. On second day Marcia and I will chat with the FWS and NPS Regional Directors and staff about our current doings in Bristol Bay. They asked us to come over and talk with them. It is intended to be very informal session to bring them up to date. I would like to use resource extraction funds for the trip and need both of your approval.
